Emma Atkins-Chafer, Sussex Air Cadets

Awarded £250

'Emma has taken control of our winter indoor climbing program for the past two years. Last year she helped deliver nationally recognised competency awards (NICAS) at both Level 1 & 2'
Project Lead David Hill, Sussex Air Cadets

Emma is passionate about climbing and given children and young people opportunities to develop their skills

"Over the past 6 months, we have been running a Climbing Development Programme, for Sussex Wing Air Cadets. This programme, working towards a NICAS award focused on coaching fundamental skills. While the programme has been specific, many of the skills they have learnt and had the opportunity to demonstrate are transferable and is something I feel is of great importance"
